

A woman with long brown hair, wearing sunglasses, a bright orange t-shirt, dark leggings, and orange sneakers, is captured in a dynamic running pose. She has her right arm raised high in a fist pump gesture, and her hair is blowing in the wind. The background shows a calm lake and a line of green trees under a clear sky. A semi-transparent dark grey rectangular box is overlaid on the right side of the image, containing the text.

# Be As Happy As You Want To Be

## Be As Happy As You Want to Be

Almost everyone have heard the hit single 'Don't Worry, Be Happy' by Bobby McFerrin. The song has a very catchy way of conveying its message of being happy to everyone. Bobby McFerrin's simple message surely made a lot of people by telling them not to worry.

Living a happy, resilient and optimistic life is wonderful, and is also good for your health. Being happy actually protects you from the stresses of life. Stress is linked to top causes of death such as heart disease, cancer and stroke.

## Change

One of the better things ever said is - 'The only thing in life that will always remain the same is change', and in our life we have the power to make the necessary changes if we want to. Even if we find ourselves in an unbearable situation we can always find solace in the knowledge that it too would change.

## Social Networks

Social networks or relationships are essential to happiness. People are different, accept people for who or what they are, avoid clashes, constant arguments, and let go of all kinds of resentments. If arguments seem unavoidable still try and make an effort to understand the situation and you might just get along with well with

## Happiness

Happiness is actually found in everyone, increasing it is a way to make a life more wonderful and also more healthy.

# Be As Happy As You Want To Be

To be happy is relatively easy, just decide to be a happy person. Abraham Lincoln observed that most people for most of the time can choose how happy or stressed, how relaxed or troubled, how bright or dull their outlook to be. The choice is simple really, choose to be happy.

There are several ways by which you can do this.

## Being Grateful

Being grateful is a great attitude. We have so much to be thankful for. Thank the taxi driver for bringing you home safely, thank the cook for a wonderful dinner and thank the guy who cleans your windows. Also thank the postman for bringing you your mail, thank the policeman for making your place safer.

News is stressful. Get less of it. Some people just can't start their day without their daily dose of news. Try and think about it, 99% of the news we hear or read is bad news. Starting the day with bad news does not seem to be a sensible thing to do.

A religious connection is also recommended. Being part of a religious group with its singing, sacraments, chanting, prayers and meditations foster inner peace.

## Time Management

Manage your time. Time is invaluable and too important to waste. Time management can be viewed as a list of rules that involves scheduling, setting goals, planning, creating lists of things to do and prioritizing. These are the core basics of time management that should be understood to develop an efficient personal time management skill.

These basic skills can be fine tuned further to include the finer points of each skill that can give you that extra reserve to make the results you desire.

## Laugh

Laugh and laugh heartily everyday. Heard a good joke? Tell your friends or family about it. As they also say -'Laughter is the best medicine'.

## Express Your Feelings

Express your feelings, affections, friendship and passion to people around you. They will most likely reciprocate your actions. Try not to keep pent up anger or frustrations, this is bad for your health. Instead find ways of expressing them in a way that will not cause more injury or hurt to anyone.

## Working Hard

Working hard brings tremendous personal satisfaction. It gives a feeling of being competent in finishing our tasks. Accomplishments are necessary for all of us, they give us a sense of value. Work on things that you feel worthy of your time.

## Learning

Learning is a joyful exercise. Try and learn something new everyday. Learning also makes us expand and broaden our horizons. And could also give us more opportunities in the future.

Run, jog, walk and do other things that your body was made for. Feel alive. Avoid exposure to negative elements like loud noises, toxins and hazardous places.

These are the few simple things you can do everyday to be happy.

And always remember the quote from Abraham Lincoln, he says that, "Most people are about as happy as they make up their minds to be."
